Das Plisseemodell VS2 ist wohl der beliebteste Plisseetyp unter den rechteckigen Plisseemodellen. Kein Wunder, denn VS2 Plissees sind in ihren Bedien- und Montagemöglichkeiten sehr flexibel. Dieses Plissee lässt sich von oben nach unten und von unten nach oben ganz nach Wunsch öffnen. Die [Auswahl der Montagearten](#) ist bei diesem Plisseetyp sehr vielfältig - ob verschraubt, geklemmt oder geklebt.
